

# Apps

In this section you can read about how BIMeye and its functions work.

Much of the features work the same for all BIMeyes apps, and you can read this in [General for all apps](#).

Those features or methods differ between the apps can be read under the respective heading.

- [General for all apps](#)
- [Asset Manager](#)
- [Door Manager](#)
- [Interior Manager](#)
- [Requirement Manager](#)
- [Revision Manager](#)
- [Room Manager](#)
- [3D Viewer](#)
